

Kilowatt Korner

2021 WREA Residential Rebate Guide

Spring is on its way and WREA hopes everyone is ready to get outside to enjoy warmer days. April kicks off "spring cleaning" and the list of pre-summer chores. WREA encourages all our members to put "Check Out WREA Rebates" on the top of that list. In conjunction with our power supplier, Tri-State Generation & Transmission, WREA offers a variety of rebates from LED Bulbs to Outdoor Power Equipment to Electric Bikes.

Please see below for WREA's 2021 Rebate Guide and then go to www.wrea.org for the rebate forms. You may also call WREA's Todd Gerloff at 970-878-5041 for more details.

April is also White River Solar Renewal month. WREA mailed out renewal lease forms to members on April 1st and signed leases are due back to WREA by April 29, 2021. There is no need to mail in a check as renewal lease fees will be automatically applied to your May power bill. Please call WREA if you have questions or are interested in signing up for WREA's solar lease program.

Enjoy your spring cleaning.
